

ArtSci facilitates science communication through art

We invite you to join us in bringing the **2023 edition of the ArtSci exhibition series** to life.

This edition highlights research supporting **Sustainable Development Goals (SDGs)** in a time of global change.

Sponsors receive broad visibility at ETH as well as with networks from all over the world.

Sponsorship Levels

Silver - 2000 CHF

Logo on all marketing materials

Early access to event registration

Subscription to exhibition digest

Ideal for experiencing the events and exhibition at an organisation and marketing level
